EXPERIENCE

CALIBRE MEDIA | SENIOR WORDPRESS DEVELOPER | IT DEPT HEAD

Oct 2024 – Feb 2025 | Lahore, PK

Responsibilities: Worked as a WordPress Developer and Head of IT Department, responsible for developing and maintaining websites, managing e-commerce platforms, fixing backend issues (code and phpMyAdmin), overseeing all IT projects, and mentoring junior developers.

Technologies and Tools: WordPress, PHP, MySQL, phpMyAdmin, HTML5, CSS3, JavaScript, WooCommerce, Elementor, WPBakery, cPanel, VS Code.

TECHLOGIX (PVT.) LTD. | SOFTWARE ENGINEER INTERN

June 2024 – Aug 2024 | Lahore, PK

Responsibilities: Completed a 3-month internship at Techlogix, where I learned React.js and gained hands-on experience by contributing to senior developers' projects.

Technologies and Tools: React.js, JavaScript, Tailwind CSS, HTML5, CSS3, VS Code.

SYSTECHWARE | WORDPRESS DEVELOPER

May 2023 – May 2024 | Lahore, PK

Responsibilities: Worked as a WordPress Developer at Systechware, creating and maintaining websites, managing full-scale e-commerce platforms, adding products, and fixing bugs in backend code and phpMyAdmin.

Technologies and Tools: WordPress, WooCommerce, PHP, MySQL, phpMyAdmin, HTML5, CSS3, JavaScript, VS Code.

FAWZAN & ZORAIZ | WORDPRESS DEVELOPER | JAVASCRIPT DEVELOPER

Dec 2022 – Mar 2023 | Lahore, PK

Responsibilities: Learned WordPress development and built 5+ websites; also created a small project using JavaScript.

Technologies and Tools: WordPress, HTML5, CSS3, JavaScript, VS Code.

DEVELOPER'S ALLEY | SOFTWARE ENGINEER INTERN

July 2022 – Sept 2022 | Lahore, PK

Responsibilities: Worked as a Software Engineer Intern at Developer's Alley; completed courses in HTML, CSS, JavaScript, and React, built small JavaScript projects, and gained hands-on experience on a React project with a senior developer.

Technologies and Tools: React.js, JavaScript, Tailwind CSS, HTML5, CSS3, VS Code.
